## A Friendly Reminder From Your Favourite Business Partner!

We can all admit that running a business, managing employees, or trying to be the best HR professional you can (even if that's not your designated role!) is not easy! Sometimes in the fast pace of everyday life we can forget the little things – **like everything that we at e2r™ can help you with!**

So we've decided to send out a quick reminder of who we are and what we do.

First and foremost – we're human resource professionals and employment/labour lawyers. That means we can help you with almost everything from the very beginning stages of hiring employees right to the very end when you may need to downsize. What does that mean exactly? Well, we can help with things like recruitment, job descriptions, employment agreements, policies, disciplinary/performance documents and termination letters – just to name a few!

You can expect your calls to be set up quickly and efficiently, and a fast turnaround on your customized documentation. Don't forget we're an unlimited service!

You may not realize that we're a law firm. That means our e2r™ Clients have access to the following legal services at preferred rates:

- employment and labour litigation
- corporate
- commercial litigation
- real estate
- wills and estates

We're ready to assist you! Simply contact us at [clientcare@e2rsolutions.com](mailto:clientcare@e2rsolutions.com)
